\*\* Jumbo CD rates are available for certificate balances \$250,000 & above. Rates only apply when additional qualifications are met.

APY = Annual Percentage Yield. The annual percentage yield assumes interest will remain on deposit for one year.

Interest will be compounded and credited to the Certificate of Deposit semi-annually. A withdrawal of interest will reduce earnings.

A penalty may be imposed for early withdrawal. Rates listed above may change at our discretion and may be subject to additional requirements.
